OCTOBER 16TH 2026

SOUTHFIELD PARK

NEWSLETTER

Dear families

It is hard to believe that we are already wishing you a lovely half term. Before we know it, we will be counting down to Christmas.

There have been so many highlights this term so far, from watching our new Reception children settle into their new learning environment, to seeing our Year 6 children grow into their pupil leadership roles. The teaching staff reflected on their successes in our professional development meeting on Tuesday, and I wish you could have heard how proud they all feel of their classes. Also on Tuesday, we were so pleased to welcome so many of you to Open Classrooms. It is a feat of organisation to open our doors, and it was great to hear so many positive comments and so much thanks. I do know that parking is an issue for such events and ask you to walk to school if you possibly can when we open our classes. The school hall was also full last Friday evening, for our family BINGO night, and on Saturday morning for our prospective parents' Stay and Play. Thank you to all the attendees and organisers.

After half term, we will be straight back to learning and we will no longer be able to call our classes 'new'! Please help us by ensuring that the children have the correct uniform and that their pencil cases are replenished over the half term break.

School re-opens on Monday 2nd November at 8:35 am. We look forward to seeing you all again then and wish you a lovely half-term break,

Sally Smith

Dates for your diary...

Mon 2nd Nov
- Children return to school 8:35 am

Wed 4th Nov
- Relationship and Sex Education parent/carer information session 4:30 pm
- Early Maths Parent Meeting for Reception and KS1 parents/carers 5:30 pm

Fri 6th Nov
- Prospective Parent tour 9:15 am

Team Teach Training

All of our staff complete training with Team Teach, and some of our new staff have completed their training this week. The Team Teach approach is very child-centred and enables staff to de-escalate and support children in regulating their emotions so that they are ready for learning. We are also taught to use the correct restrictive interventions should physical intervention be needed. You will always be informed if restrictive practice has been used with your child and it is always a last resort. Often a guiding hand or gesture will be enough to move a child to a safe space where we can help them to co-regulate.

The Lumen Learning Trust works together on this vital training, and has 'trained the trainers' within the Trust. This means that we have access to very high quality and consistent training across the Trust.

Staff Updates

Miss Lucy Radcliffe, our ELSA, is moving on to pastures new and her last day with us will be on 12th November. Very excitingly, Miss Radcliffe, and her partner, are moving all the way to Australia and we wish them well on this new adventure. Miss Radcliffe has been working at Southfield Park since 2019 and has worn several hats: working as a special needs assistant, a learning support assistant and, most recently, our ELSA. I am sure that you'd like to join me in thanking her for her years of service to our school.

We understand that this may be unsettling for those children who are currently working with Miss Radcliffe and can assure you that plans are currently being drawn up and will be shared soon.

We're Recruiting – Learning Support Assistants

We are currently recruiting for Learning Support Assistants to join our team! If you or someone you know may be interested in this opportunity, please take a look at the job advert below and feel free to share it with anyone who may be suitable.
Find out more and apply here:
https://www.eteach.com/job/learning-support-assistant-1580003
Thank you for helping us spread the word!

Display Snapshot

It is always lovely to see your child's first school portrait and both Reception classes have been working on theirs for their beautiful display. We will send these portraits home with the children for families to keep, but for now it is lovely to see them all together. Well done Reception!

Reception 2027

No sooner have we welcomed our new Reception children to school than we turn our attention to next year's joiners! If you have a child who was born between 1st Sept 2022 and 31st August 2023 then they will be eligible for a Reception place in September 2027. As you can see from our dates list, our tours for prospective parents and Stay and Play are already in the diary; to book your place, please email info.southfieldpark@lumenlearningtrust.co.uk.

Please share this information with your friends and neighbours who might also be looking for a school place for next year.Further information about the application process can be found on the Surrey County Council website.
Our next Open Morning is on 6th November.

The SHINE Tree

Every week we will be celebrating the children who have been spotted working on the theme of the week, by adding their name to the SHINE tree, near the office in the atrium. We will share the theme and a photo of the tree every week in the newsletter, before it is refreshed ready for the next Monday's theme.

This week's assemblies have been about speaking kindly and listening carefully. We have all been thinking about what makes a good communicator and how we can improve our communication skills. Each class has also been working on the skills relevant to the children in their class, although so many are key for all ages, ranging from remembering what someone has said so that you know how to reply to being able to ask for help when you need it.

Have a look to see who has gone above and beyond to show that they have been speaking kindly and listening carefully this week:

- **Harvest Collection**

Thank you to everyone who has donated to our Harvest Food Bank collection. We are so grateful for your generosity, particularly at a time when our own food bills continue to rise.

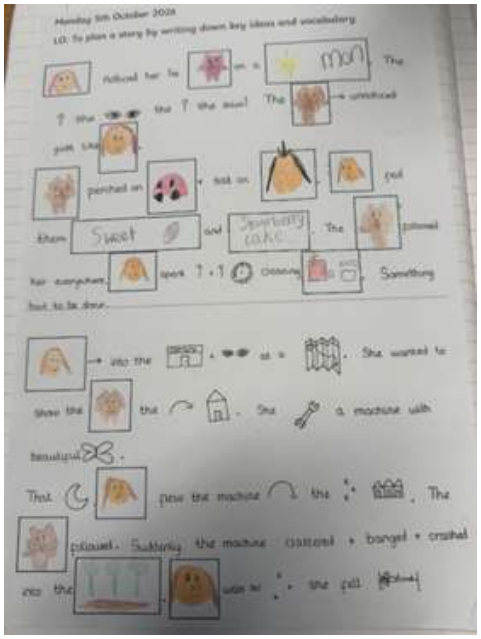
- **Hikapee Theatre**

What a special experience for our Year 1, 2 and 3 children!

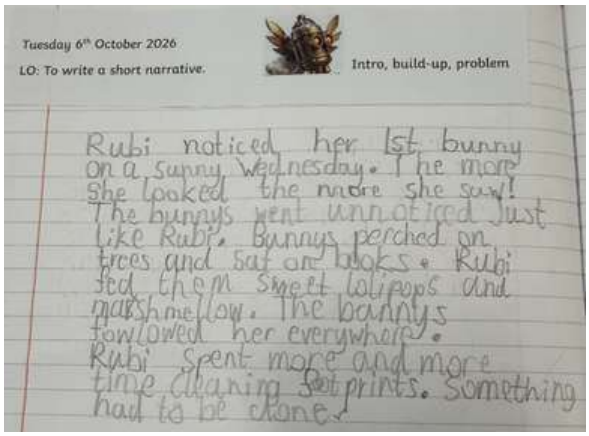
The children visited Horton Arts Centre to enjoy an amazing performance by the Hickapee performance group. Following workshops in school, the performers brought the children's own ideas to life, weaving their creativity and imagination into a real theatre production.

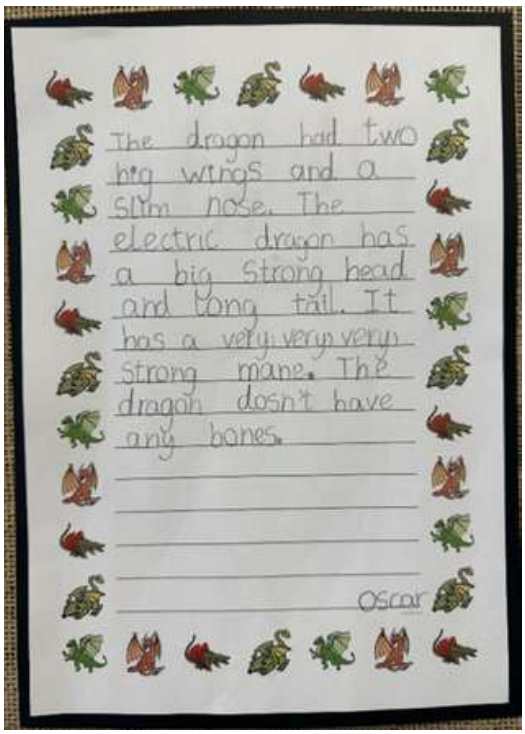
We feel incredibly lucky to have had this opportunity, and for some of our children, it was their first experience of watching a live theatre show.

A huge thank you to Hikapee for creating such a memorable experience and inspiring our young performers of the future!



Year 2 have been letting their imaginations run wild as they wrote about their very own dragons!
From juicy watermelon dragons to fierce, fire-breathing dragons and beautiful flower dragons, the children have created some wonderfully imaginative creatures. They have been using exciting adjectives and descriptive vocabulary to bring their dragons to life.
We have loved seeing their creativity shine through in their fantastic writing!





- **ROBLOX**

This week we have had several issues in school that have stemmed from children being unkind on Roblox at home. I ask that you are aware of what your children are playing and doing on online platforms, and consider disabling chat features. This poster from The National College might be useful.

- **Time to Talk**
  This week's conversation starter is to get us all thinking about how we use AI already and what might come next? Do we need technology in every part of our lives?

In the news this week

Meta has created the Muse Charm, a small device that can fit in a pocket or hang from a keyring. The Charm uses Muse, Meta's artificial intelligence (AI), so people can talk to it, ask it questions, and show it what is happening around them. It is designed for adults over the age of 18, and Meta aims to have the new device ready to buy by December.

Things to talk about at home ...

- Do you use any AI at home or school at the moment?
- When do you think technology can be helpful in our everyday lives?
- What rules might help people use an AI companion safely?
- Talk to someone older at home about what it was like to find information out before the internet, AI and other similar technologies.

1pm-3pm

@ Ewell Family Centre

Young Person's Emotional Wellbeing Workshop

As part of our Mental Health Day celebrations, children will create their own Feelings Box, filled with tools and ideas to help them manage their emotions, such as fidget toys, calming activities, and breathing exercises. This fun, creative workshop will encourage children to recognise their feelings and develop positive strategies to support their emotional wellbeing.

Autism Outreach for Schools

BARNARDO'S Changing childhoods. Changing lives.

Cygnet Autism Support

SURREY

Cygnet in Surrey

A 6-session support programme for parents and carers of children and young people, aged 5 - 18 who have autism or suspected autism.

Where is it being delivered?

A mixture of online and in-person courses are taking place across Surrey.

Who can attend?

Parents, carers or other family members who have responsibility for your child. Your child must be aged between 5-18 and live in Surrey. They may have a diagnosis of autism or be waiting for one.

What does Cygnet involve?

The programme is delivered over six 2 ½ - 3 hour sessions which include:

- Introductory session
- Overview of autism with parent and carer experience
- Thinking & sensory
- Social interaction & communication
- Understanding & supporting behaviour
- Analysing behaviour

Who will deliver the course?

Surrey's Cygnet offer is coordinated through the Autism Outreach team but our team of trainers are made up from professionals working across Surrey in education, health and charity organisations.

Can I ask some questions?

Email us on SurreyParentworkshops@freemantles.surrey.sch.uk

How do I join a course?

Please register your interest by completing the electronic expression of interest form (accessed through the below link or by scanning the above QR code). You will then be added to our mailing list and contacted each time new courses are available on TryBooking.

https://forms.office.com/e/wZ82LGt6rC

Surrey Parent Training Programmes

Consultation on admission arrangements for Surrey's community and voluntary controlled schools for 2028

Surrey County Council is consulting on proposed changes to admission arrangements for some community and voluntary controlled schools for September 2028.

Full details of the consultation and the changes being proposed are available at Consultation on the admission arrangements for community and voluntary controlled schools for September 2028

Why Surrey County Council is consulting

Surrey County Council has a statutory duty to consult on admission arrangements if it intends to make a change. The changes being proposed are as follows:

1. **Banstead Community Junior School** – reduction in published admission number for Year 3 from 90 to 60
2. **Stamford Green Primary School** – removal of the catchment area

How can you respond to the consultation?

The consultation on the admission arrangements for community and voluntary controlled schools, which include the proposed changes above, will run from Tuesday 6 October until Tuesday 17 November 2026. If you would like to take part, please complete an online response form at Consultation on the admission arrangements for community and voluntary controlled schools for September 2028 or by using the following QR code:

Parenting your Neurodivergent Child workshop

Two-hour session designed to help parents gain a deeper understanding of their neurodivergent child's unique way of thinking and experiencing the world. You will explore positive parenting techniques to guide and encourage them, and promote harmony, cooperation and understanding in your home.
