

Flowers

Georgia O'Keeffe

Born in 1887, Georgia O'Keeffe was an American artist who painted nature in a way that showed how it made her feel. She is best known for her paintings of flowers and desert landscapes.

Key Vocabulary

Background	The part of a painting representing what lies behind objects in the foreground
Middle ground	The space occurring between the foreground and background
Foreground	The area of the picture space nearest to the viewer
Tints	Where an artist adds a colour to white to create a lighter version of the colour
Shades	Where an artist adds black to a colour to darken it

Do more

- Explore nature. Think about how it makes you feel.
- Take photographs of things in nature that you find interesting
- Experiment with warm and cool colours. How do the colours change the way the you feel looking at the painting?
- Create your own colour wheel! You can challenge yourself to include tints and shades.
- Have a go at drawing or painting trees, pinecones, rocks, leaves or insects.

Tints
(colour+white)

Shades
(colour +black)
