

Year 1: DT
Autumn Term

Houses

Key concepts:

What is a house?
A place where people live.

Key Vocabulary

Construction	The action of building something
Strong	Not broken with force or pressure
Stiff	Not easily bent or changed in shape
Stable	Difficult to knock over
Functional	Designed to do a job well

Do more:

What else could you build?
Could you construct a house out of a different material?
How could you make a different style of house?
