SOUTHFIELD PARK

NEWSLETTER

Dear families

Dear families,

Our Reception children are now with us full time and our school is complete again. Well done to them all for navigating lunches and longer days, and thank you to Year 6 who buddied up with Reception to help out. Some of our Year 6 children will be helping again next week when we welcome prospective new families for tours. If you know of anyone who may be interested in joining us, please ask them to get in touch with the school office to book a space.

The Leadership Team has been visiting the classrooms across the school this week to check that the children are happy and settled. How exciting to see strong learning behaviours across the school in so many different subjects. The teachers and children have clearly been working hard on new relationships, routines and expectations.

It was good to see so many of you at the Meet the Team sessions on Tuesday. If you missed the event, the teachers' slides will be available on the school website shortly:

Our ELSA, Miss Lucy Radcliffe and Home School Link Worker, Miss Nabihah Ahmed, were also very pleased to meet with some of our families for coffee and a chat after the main session.

With best wishes for the weekend,

Sally Smith

● **A message from LLT's Executive Principal, Mrs. ME McCarthy:**

I am delighted to share that Mrs. Smith has successfully achieved her National Professional Qualification for Headship. This is a significant award that requires hard work, dedication and hours of study. By balancing these academic expectations alongside the day-to-day leadership of Southfield Park, Mrs. Smith has modelled a 'shining' commitment to learning for our school community. Many congratulations, Mrs. Smith!

● **News from Year 6**

It has been a nail-biting week in Year 6, with the election of our new Head Girl and Head Boy. We would like to thank everyone who was brave enough to stand up in front of their peers and make a speech about why they should be chosen. Experiences such as these will stand the children in good stead in their future lives.

The whole cohort listened to each other carefully, showed the utmost respect and then voted in the election. Many congratulations to Sophia & Noah who have been elected this year. It is a real achievement to be chosen by your fellow Year 6 students. There are many more opportunities for the Year 6 children to develop their leadership roles with House Captain and Prefect roles being organised over the coming weeks.

● **Ready, Respectful, Safe: Ready to Learn**

We have been refocusing our ongoing work on behaviour across the Lumen Learning Trust, and Southfield Park has been working on a Behaviour for Learning Culture. During their first week in school, we have been talking to the children in classrooms and in assemblies about being 'Ready, Respectful and Safe' so that we are 'Ready to Learn'. There has been a lot of discussion about what those words mean and what they might look like in different places and at different times around our school. It might be interesting to talk to your children about what they think being ready to learn means.

SEPTEMBER 11TH 2026

- Every Monday, we will be holding an assembly linked to this piece of work, or linked to our school Vision or Values. This week's theme was about respecting our school environment. We will be celebrating the children who have been spotted working on the theme of the week, by adding their name to the SHINE tree, near the office in the atrium. We will share the theme and a photo of the tree every week in the newsletter, before it is refreshed ready for the next Monday's theme.

Have a look to see who has gone above and beyond to look after our school environment this week.

● Outdoor Provision in Reception and Year 1

You may have noticed that we have a new Year 1 shared outdoor learning space, and that there have been huge improvements to the resources available in the Reception outside space. Mr Alan Lumsden, our caretaker, spent a lot of time building new equipment, before the class teams came in to set up the resources. Taking learning outside into such lovely environments is already making a difference: developing physical and social skills, supporting communication and language, encouraging curiosity and independence, while all the time getting some fresh air and having fun.

In Reception, how about a story with some friends in the book nook, some early physics in the water play zone or some messy play in the mud kitchen?

In Year 1, just like Reception, there are opportunities for construction and small world, puppet shows and dressing up, alongside activities that directly link to what is going on in the classroom such as phonics and maths games.

● Reading Rangers Volunteers

Would you be able to offer a regular slot to the school, to give children some time to read with an adult?

We have a very dedicated group of volunteers who come to school to read with children in a class, giving them some very valuable one-to-one time, and we are looking to expand our team. Our current volunteers are parents, grandparents and friends of the school. If you are interested, please do get in touch with the office and they will put you in touch with our English Team who can explain a little more. All regular volunteers in school will need to have an enhanced DBS check.

● National Pupil Assessment Results for Last Year

We are very pleased to be able to share last year's pupil assessment data for the statutory assessment points across the school. We are very proud of all of our children's achievements.

Reception

At the end of Reception, children are expected to achieve what is described as a 'Good Level of Development'.

The National % is shown in brackets in the table below.

	2023	2024	2025	2026
Reception	73%	64%	75%	76%
Good Level of Development	(67%)	(67%)	(68%)	(tbc)

Year 1

At the end of Year 1, children's knowledge and understanding of phonics is tested using national standardised tests.

The National % is shown in brackets in the table below.

	2023	2024	2025	2026
Year 1	90%	80%	80%	89%
Phonics	(79%)	(80%)	(80%)	(tbc)

End of Key Stage 2 (Year 6) outcomes

At the end of Year 6 children's skills in Reading, Writing, English Punctuation, Spelling & Grammar, and Maths are again assessed using National Standardised Assessment Tests (SATs).

The National % is shown in brackets in the table below.

	2023	2024	2025	2026
Reading	87%	80%	85%	78%
expected +	(73%)	(74%)	(75%)	(75%)

Spelling, Punctuation & Grammar (EGPS)	48%	53%	43%	35%
greater depth	(30%)	(32%)	(30%)	(30%)

Key Stage 2 Average Scaled Scores

This score is known as a 'scaled score'. The score is an average for pupils in the school. The expected standard is a score of 100 or more. The higher standard is 110 or more.

2026	National average	Southfield Park average
Reading	106	106
Maths	105	107

● Time to Talk

At school we are always looking for ways to support children in developing their oracy skills. In the newsletter, we will be publishing a picture each week, based on a recent news event, which may be a useful conversation starter at home. (Resources are from Picture News)

In the news this week

Between 2nd and 6th September, more than 100 of the world's best cyclists competed in the Tour of Britain Men. The five-day race began in Lincoln and travelled through Lincolnshire and Yorkshire, before finishing in the Scottish Borders on 6th September. In the men's event, the cyclists cover nearly 900 kilometres, tackling steep hills and challenging conditions along the way. Thousands have been gathering along the route to watch and cheer the riders on.

Things to talk about at home ...

- Can you think of a time when something felt difficult, but you kept going?
- What helped you to persevere?
- Who encourages you when you face a challenge?
- When might taking a break or asking for help be the best next step?

● Reception 2027

No sooner have we welcomed our new Reception children to school than we turn our attention to next year's joiners! If you have a child who was born between **1st Sept 2022 and 31st August 2023** then they will be eligible for a Reception place in September 2027. As you can see from our dates List, our tours for prospective parents and Stay and Play are already in the diary; to book your place please email info.southfieldpark@lumenlearningtrust.co.uk.

Please share this information with your friends and neighbours who might also be looking for a school place for next year. Further information about the application process can be found on the Surrey County Council website.

Our first prospective parent tours are next Monday 14th September.

● Spaces in other year groups

We have a handful of spaces across the school in different classes, which we are sure will not last long. If you know of anyone who might be interested, we would be very happy to give them a tour and talk through the process. They can email the office info.southfieldpark@lumenlearningtrust.co.uk or give us a call on 01372 743104.

- **Year 6** have made a great start to the new school year and are settling well into their new year group. They have embraced the increased responsibilities and expectations that come with being the oldest children in the school, showing enthusiasm, maturity and a positive attitude towards their learning.

Already, the children have been thoroughly immersed in our new topic, **World War Two**, and have particularly enjoyed exploring what life was like for children during this significant period in history. In English, we are studying the novel *Friend or Foe* and thinking carefully about the thoughts, feelings and experiences of the characters. The children took part in a lively hot-seating activity, taking on the roles of evacuees and adults. As evacuees, they were questioned about their experiences of leaving home, travelling by train with their friends, and anxiously waiting to be chosen by a host family. This helped the children to develop empathy and a deeper understanding of the emotions experienced by evacuees, while also providing them with fantastic ideas and vocabulary to plan their own informal letters. It has been wonderful to see the children becoming so engaged with their learning and bringing the experiences of the characters to life!

Congratulations to Karina!

A huge congratulations to Karina (5s), who successfully achieved her **ABRSM Piano Grade 3** during the summer break! What a wonderful achievement and a fantastic demonstration of her hard work and dedication. Well done, Karina!

● 🎨 Arts & Crafts & Sewing Clubs – Spaces Available! 🧵

Together

What is the FoSP?

The Friends of Southfield Park (FoSP) is a registered charity run by a small Committee who plan events and raise funds for our school.

We hold regular meetings – which all Friends are welcome to attend – some formal (because we have to!), but mainly very informal, to discuss upcoming events, fundraising ideas etc.

Why it matters

Fundraising is now more important than ever before, as school budgets are stretched but, as well as raising much-needed funds, the social events we run help bring the whole school community together.

Events we run include:

- ★ The Summer and Christmas Fairs
- ★ Bingo
- ★ Quiz
- ★ Easter Disco
- ★ Pantomime
- ★ Book Swap on World Book Week

We have fun whilst we are doing it

and are proud of the contribution we are making to our school.

Why not join us?

There are lots of ways you can get involved:

Not much time? That's OK!

Don't be put off if you feel you don't have much time or are unsure what's involved. Most of us work part-time or full-time. Any time you can give is appreciated.

Two ways to get involved

FoSP Team

Plan and run events.

Friends of Friends

Help out when we need extra volunteers (not to fully commit to the FoSP Team right now). Please get in touch for more details.

Use your skills

We can use any skills you have and you might learn some new ones.

Get to know our school community

Being involved is a great way to get to know the school and other parents.

★ **The money we raise goes towards:**

New equipment
e.g. books, technology, sports and play equipment.

Room improvements
e.g. library, classrooms, play areas and outdoor spaces.

★ **And more...**
We also support other ideas the school needs, like special projects, resources and enrichment opportunities.

Data Protection standardised content to be included in September 2026 school newsletter

Privacy Notice for Pupils, Parents and Carers

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data. Our Lumen Learning Trust privacy notice for pupils, parents and carers explains how we collect, store and use pupil & parent/carers personal data. This document can be found via this link: <https://www.lumenlearningtrust.co.uk/about-us/lumen-learning-trust-policies/general-data-protection-regulation-gdpr>.

Your child's profile name within Google Classroom

Your child will automatically be provided with their own personalised profile to enable them to access Google Classroom as part of their educational experience at our school. This is a fantastic online tool that allows a virtual learning environment to connect teachers and classmates from any location. Additionally, both in certain and uncertain times it ensures that we can provide a safe, secure and reliable way to continuously deliver education. You can read more about our remote learning offer, how and why we use Google Classroom and the security of your child's data by visiting our school website and navigating to Curriculum > Online Learning.

Each child has a unique profile which represents them in the online classroom, this is comprised of a name tag. Only the individuals in the virtual class can view this profile and all members of a Classroom are bound by the Lumen Family Acceptable Use of ICT Agreement and E-Safety Rules. For clarity purposes their name tag is comprised of their forename and surname. However, if you would like your child's profile name to show only the first initial of their forename and full surname please do contact our school office who can action this for you.

Sharing data and information with NHS Surrey to support children to access local health and wellbeing services

Surrey Children's Community Health Provider, Children and Family Health Surrey request regular information from us about our children to support planning and delivery of school-based health screening at different points of a child's life. Information provided to them by the school is Name, Gender, Address and DOB. Assurances have been received from the Service that this request is in accordance with Government guidelines and adheres to the required Data Protection standards. If you would like further information please refer to <http://childrenshealthsurrey.nhs.uk>.

<https://childrenshealthsurrey.nhs.uk/about-us/privacy-policy>

- **Please be aware that The School Attendance (Pupil Registration) (England) Regulations 2024 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.**
- They may request that Surrey County Council issue Penalty Notices when the absence is not authorised.

Warnings will not be given where it can be shown that parents have been notified that such absences will not be authorised.

3. Finally, the issuing of a Penalty Notice will also be considered where it is judged that a parent is failing to ensure their child's regular school attendance.

This will be considered when a pupil has incurred 10 or more unauthorised sessions in the previous 10 school weeks, which may include a pupil arriving late after close of registration.

If you believe at any stage that your child's absence from school may leave you liable to receive a Penalty Notice, it is extremely important that you act without delay to secure their regular attendance.

If you have any questions or require further support to achieve an improvement in your child's attendance, please contact your child's school or the Attendance Advice Officer.

Penalty Notice relating to Exclusions

If a child is excluded from school, Section 103 of the Education and Inspections Act 2006 places a duty on parents/carers to ensure that their child is not in a public place without justifiable cause during school hours.

This duty applies to the first five days of each exclusion. Failure to do so will render the parent/carer liable to a Penalty Notice. (Alternative education provision will be made available from the sixth day of any exclusion.)

Amount Payable for a Penalty Notice and Consequences for repeat unauthorised absences

1. If you have not incurred a penalty notice relating to this child/children in a rolling 3 year period since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carers per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carers per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, per parent/carers per child, in the Magistrates Court under s 444 Education Act 1996.

Surrey County Council is not responsible for authorising pupil absence and therefore cannot withdraw any Penalty Notice requests without the written permission of the Headteacher.

@ Ewell Family Centre

Young Person's Emotional Wellbeing Workshop

As part of our Mental Health Day celebrations, children will create their own Feelings Box, filled with tools and ideas to help them manage their emotions, such as fidget toys, calming activities, and breathing exercises. This fun, creative workshop will encourage children to recognise their feelings and develop positive strategies to support their emotional wellbeing.

To book a place, scan the QR code, email:
