

SEPTEMBER 25TH 2026

SOUTHFIELD PARK

NEWSLETTER

Dear families

Dear families,

Our Year 4 children have had some great outdoor learning adventures at Sayers Croft this week, with their 3 day residential finishing today. They have been learning how to be more independent and how to work as a team, as well as pushing themselves out of their comfort zones to try new things. Well done, Year 4 and welcome back home. Could I please thank the staff who accompanied the trip, leaving their own families to manage without them this week: Mrs Emma Kirk, Mrs Bea Dacosta, Mrs Anita Leung, Miss Gemma Carter, Miss Zoe Bell, Mrs Lauren Andrews.

Mrs Jenny MacDonald, our Phonics Leader, and Mrs Becky Robinson, our EYFS and KS1 Leader, were very pleased to welcome so many of our Reception parents and carers at the Information Workshops this week. Thank you for joining us to find out how we teach phonics and early reading at school, and what you can do to support your child with their learning at home.

Don't forget that the children have their individual photos next Thursday 1st October, and that school is closed to children for an **INSET day next Friday 2nd October**.

Best wishes for a lovely weekend,

Sally Smith

Dates for your diary...

Wed 30th Sept and Thur 1st Oct

- Individual photos

Fri 2nd Oct

- **INSET DAY** (school closed to children)

Mon 5th Oct

- Prospective Parent tour 9:15am

Tues 7th Oct

- EBSNA workshop for parents/carers (Emotionally Based School Non-Attendance) 9:15am-12:15pm

Sat 10th Oct

- World Mental Health Day
- Prospective Reception families Stay and Play 10am-12pm

● Staff Updates

I'm delighted to share that Mrs Emily Stokes has been successfully appointed as Southfield Park's new permanent Inclusion Lead. While Mrs Stokes has only been part of the team since June on an interim basis, the progress and improvements to our provision for SEND have already been clear. Her dedication, expertise, and warm approach have quickly made a positive impact on both our pupils and staff, and we are absolutely delighted to secure her talent on a permanent basis.

● My Log In: Accessing Google Classrooms at Home

Children can now access Google Classrooms and other useful learning resources that we use at school, such as TimesTable Rockstars and Number Bots, via our website.

Please head to our website and click on the Google Classroom link.

<https://www.southfieldparkprimary.co.uk/curriculum>

You will then need your children's 'My Log In' cards with individual log in QR codes to gain access.

Curriculum

Home > Curriculum

Our curriculum is designed to match the requirements of the National Curriculum and the Early Years Foundation Stage Curriculum, building on the children's starting points and preparing them for key end points.

Our curriculum
reflects our mission that every child will

shine

SUCCEED

HAPPY

INSPIRE

EXCE

NURTURE

Alongside this, our school curriculum offers wider experiences and opportunities to meet the needs of every child and to prepare them for successful lives in our rapidly changing world.

“ We use Google Classroom for our online learning needs. You can access your child's account via this link: ”

GOOGLE CLASSROOM

● What is the school focusing on this year?

Building strong foundational skills in literacy, numeracy, and social-emotional development is the cornerstone of lifelong learning. During the formative primary years, mastering essential core concepts gives children the confidence and critical thinking tools they need to navigate increasingly complex ideas in the future. At Southfield Park, we are continuing to prioritise these fundamental building blocks in every single lesson and are developing bespoke interventions and end of year milestones for children to work towards.

Foundational learning does not stop in Reception, or even in KS1. In any classroom at our school, you can hear staff working on this School Development Plan priority – for example, encouraging the correct seating position for writing, developing a ‘sense’ of number or building concentration skills. Over the next two weeks, leaders will be out in the school, monitoring our progress on this priority, and drawing together our next steps.

1. Foundational Literacy

Literacy is the gateway to all other academic subjects. It moves a child from *learning to read* to *reading to learn*.

- **Phonics & Decoding:** Understanding how letters match sounds to sound out unfamiliar words.
- **Fluency:** Reading accurately and at a smooth pace without struggling over individual words.
- **Vocabulary & Comprehension:** Understanding word meanings and grasping the message, main ideas, and details behind a text.
- **Writing & Expression:** Forming letters correctly, understanding basic grammar, and learning to translate thoughts into clear written sentences.

2. Foundational Numeracy (Early Mathematics)

Numeracy goes beyond simple counting; it builds a child's "number sense"—their intuition about how numbers work, relate, and apply to real life.

- **Counting & Cardinality:** Recognizing numbers and understanding that a written number represents a specific quantity.
- **Basic Arithmetic:** Mastering basic addition, subtraction, multiplication, and division facts until they become automatic.
- **Pattern & Spatial Recognition:** Identifying repeating patterns, understanding basic shapes, and grasping simple measurement principles (like weight, length, and time).
- **Mathematical Reasoning:** Knowing how to break down simple word problems and choose the right mathematical operation to solve them.

3. Foundational Social-Emotional & Cognitive Skills

These are the behavioral and self-regulatory skills that allow children to engage with academics and thrive in a group setting.

- **Self-Regulation & Attention:** The ability to focus, follow multi-step instructions, and manage frustration when a task gets difficult.
- **Communication & Listening:** Expressing needs clearly, active listening, and participating in classroom discussions.
- **Social Interaction & Empathy:** Cooperating with peers, sharing, resolving minor conflicts, and working effectively in groups.
- **Fine Motor Skills:** Developing the hand strength and dexterity required for pencil grip, using scissors, and managing classroom materials.

● Governor Visit

The governors that make up our Local Governing Board have a key role in considering the impact of the work that we do at school. Throughout the year they are invited in to gather evidence and ask questions about the school's work on its identified priorities. Lots of opportunities for Governor visits have already been identified for this term and Mrs Joanne Roberts, our Chair of Governors, was in school this week for the first governor monitoring visit of the academic year. Her visit covered safeguarding procedures and practices in the school, and included a discussion with Sally Smith, the Designated Safeguarding Lead (DSL), a group of teachers and groups of children in Years 5 and 6.

● Surrey SEND Survey

Ofsted and the Care Quality Commission (CQC) are carrying out a **SEND Local Area Partnership Inspection in Surrey**. The inspection started this week and is running until Friday 9 October.

The inspection will assess how effectively education, health and care services work together to support children and young people with Special Educational Needs and Disabilities (SEND), from birth to age 25. Like all local areas across England, Surrey is inspected regularly as part of a **national programme**.

Share your views and experiences

As part of the inspection, Ofsted and CQC want to hear directly from:

- Young people with SEND
- Parents and carers
- Professionals working with children and young people with SEND.

Your feedback is an important part of the inspection and will help inspectors understand what is working well and what could be better for children and young people with SEND in Surrey.

Click here to find out more and complete the survey:

[Surrey SEND Local Area inspection 2026 - have your say](#)

The Friends and I are working on the dates for PTA events this year which will soon be announced but there is one event coming up that is now in the diary:

BINGO Night with the Friends on Friday 9th Oct 6:00 until 8:00pm.

The event is always popular and is a family night out, suitable for everyone. So, grab some snacks and the tipples of your choice, and we will see you there. You can find more details on the Friends page, later in the newsletter.

● **Introducing our Senior Leadership Team**

Over the next few weeks, the Leadership Team will be introducing themselves to you here, so that you know who to head to for support and so that you can find out a little more about our roles. This week it is the turn of Mrs Fran Foley.

Hello, I'm Mrs Foley, and I'm delighted to be Deputy Headteacher at Southfield Park. My role involves working with children, staff and families across the whole school, and one of the things I love most about my job is celebrating our children's successes. You'll often find me visiting classrooms to see some fantastic work or catching children making kind, thoughtful and positive choices. I'm also always happy to support families with any questions or concerns, after you have spoken with your child's Phase Leader.

Part of my role is ensuring that our teachers have access to up-to-date training and support, so that we can provide the best education possible for our children. I also work closely with Mrs Smith on areas including attendance, behaviour, assessment, teaching and learning, and, most importantly, safeguarding.

I feel incredibly lucky to work with our fantastic pupils, families and staff, and I love watching our children grow — not only academically, but into confident, kind and well-rounded individuals. I am immensely proud of how hard our staff work and how our school continues to develop, and of the part I play in that journey. There is a real sense of pride in being Purple, and I am proud to play my part in making Southfield Park the very best it can be.

● Display Snapshot

This week's display snapshot comes from Year 3. In Art, our Year 3 children have been taking inspiration from the work of Andy Goldsworthy, one of the UK's most well-known contemporary artists. Goldsworthy is known for his sculptural pieces made from natural materials found locally and incorporated into his installations. Year 3 have been experimenting with the shapes and textures they have found in our neighbourhood.

Year 6 House Captains

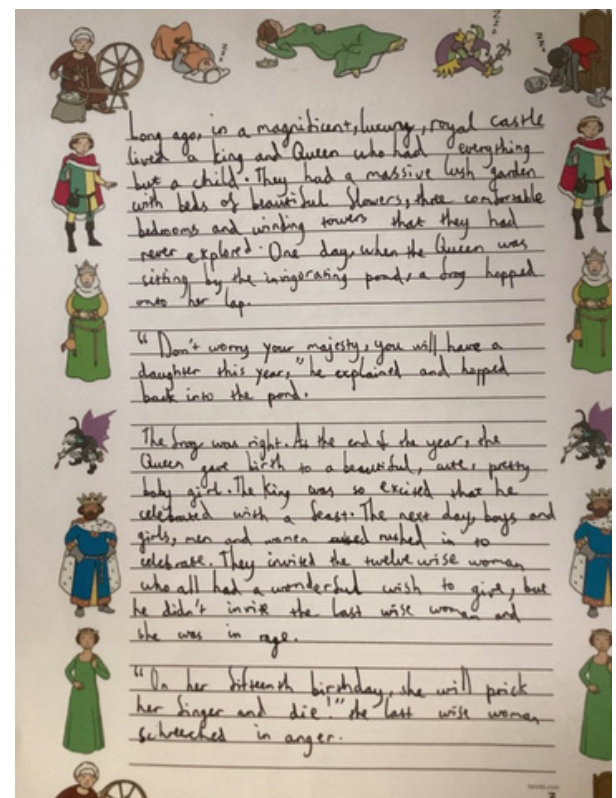

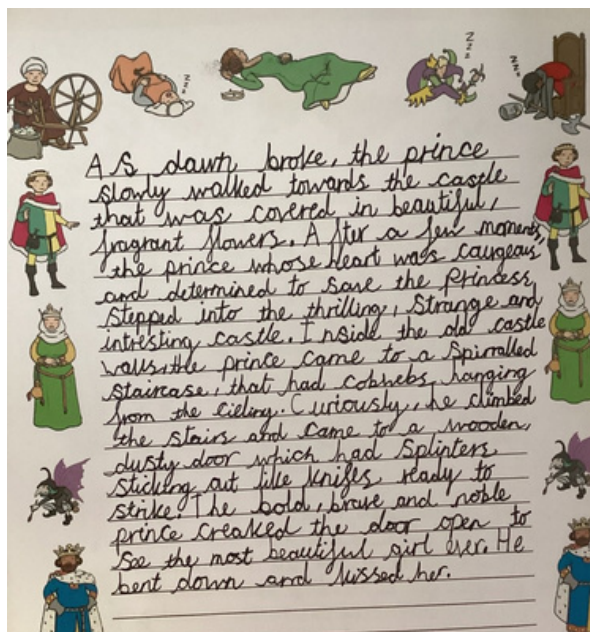

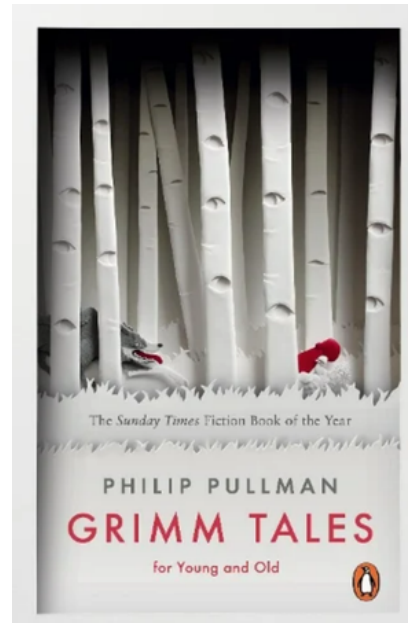

This week, the children in KS2 split into coloured Houses and had the opportunity to vote for this year's House Captains. Our Year 6 children made speeches to the children in their House before the big vote. There were some very close votes this year and we'd like to congratulate everyone who was brave enough to take part.

Our House Captains for this year are

Green House - Armin & May
Yellow House - Aroosh & Sophie
Blue House - Ryan & Ishaani
Red House - Max & Thea L

- This term in English, **Year 5** have been exploring Grimm Tales by Philip Pullman, discovering both traditional and alternative approaches to fairy tales. Alongside exploring the stories, the children have been developing their use of cohesive devices to help their writing flow smoothly and effectively.

As part of their learning, the pupils worked collaboratively in pairs and groups to explore the key events in Briar Rose. They developed their oracy skills by discussing, explaining and sharing their ideas, before identifying the beginning, build-up, problem, resolution and ending of the tale. The children then summarised the key events on post-it notes and organised them along a story path. Over the coming weeks, the children will continue to explore Grimm Tales in greater depth, developing their understanding of fairy-tale conventions and applying these features to their own writing as we work towards the October half term.

- **Time to Talk**

This week's conversation starter is about wild animals in Nepal, and might be a good way to get children to think about their own experiences with wildlife and how wildlife can be protected.

In the news this week

Nepal has announced that its wild tiger population has more than tripled, rising from 121 tigers in 2010, to 429 today. Officials say the turnaround is the result of years of protected wildlife corridors and local communities working hand-in-hand with conservationists to protect the big cats. With tiger numbers now increasing, more encounters between tigers and nearby villages are leaving experts asking how people and wildlife can safely share the same land going forward.

Things to talk about at home ...

- Do you think it's fair that wild animals need the same land that people want to use? Why?
- If you lived near a forest with tigers, would you feel excited, nervous, or both? What would help you feel safe?
- Is there an animal, plant, or wild space near where you live that you believe deserves more protection? What would or could you do to help it?

● The SHINE Tree

This week's assemblies have been about looking ready for learning and we have been discussing what our uniform means to us as well as how it feels to be organised and feel ready for a lesson. Being prepared can help children listen, think, try and learn. The children were given a challenge to think about what it means to be 'ready'.

Ready to Learn Challenge ★

1. Is my uniform ready?
2. Have I got everything I need?
3. Am I organised?
4. Am I bringing a positive attitude?
5. Am I ready to learn?

Every week we will be celebrating the children who have been spotted working on the theme of the week, by adding their name to the SHINE tree, near the office in the atrium. We will share the theme and a photo of the tree every week in the newsletter, before it is refreshed ready for the next Monday's theme.

Have a look to see who has gone above and beyond to show that they are ready to learn this week:

Space Day (Census Day) - Themed Lunch - Thursday 1st October 2026

Get ready for an out-of-this-world lunchtime! ✨🚀

Pupils can look forward to a delicious spacethemed menu to bring lunchtime to life! 🪐☀️

Theme days make lunchtime extra special, giving children the chance to try something different, have fun with friends and enjoy the adventure. Don't forget to order your child's school lunch so they can join in the fun! 🚀🍴

dolce

SPACE DAY

1ST OCTOBER

DEAR FAMILIES,

WE'RE DELIGHTED TO SHARE THAT ON THURSDAY 1ST OCTOBER, OUR SCHOOL CATERING TEAM WILL BE HOSTING A SPACE DAY THEMED LUNCH!

OUR TEAMS WILL BE SERVING A TASTY MENU PACKED WITH CHILDREN'S FAVOURITES, INCLUDING CHICKEN METEOR-BITE BURGERS OR VENUS VEGGIE BURGERS, GUARDIAN FRIES OF THE GALAXY AND BLACK HOLE BEANS OR PLANETARY PEAS, FOLLOWED BY JUPITER JELLY AND ICE CREAM FOR DESSERT.

MEALS CAN BE ORDERED IN THE USUAL WAY. IF YOUR CHILD DOESN'T USUALLY HAVE A SCHOOL MEAL, SPACE DAY IS THE PERFECT OPPORTUNITY TO GIVE ONE A TRY AND ENJOY ONE OF OUR SPECIAL THEMED EVENTS. PLEASE CONTACT THE SCHOOL OFFICE FOR MORE INFORMATION ABOUT ORDERING.

A REMINDER THAT ALL CHILDREN IN RECEPTION, YEAR 1 AND YEAR 2 ARE ENTITLED TO FREE SCHOOL MEALS. CHILDREN IN OLDER YEAR GROUPS MAY ALSO BE ELIGIBLE FOR FREE SCHOOL MEALS - YOU CAN CHECK YOUR ELIGIBILITY HERE: [HTTPS://WWW.GOV.UK/APPLY-FREE-SCHOOL-MEALS](https://www.gov.uk/apply-free-school-meals)

WE CAN'T WAIT TO WELCOME EVERYONE FOR A LUNCHTIME FULL OF COSMIC FUN AND TASTY FOOD!

IF YOU HAVE ANY QUESTIONS, PLEASE CONTACT PRIMARY@IMPACTFOOD.CO.UK

COME ON A SPACE DAY ADVENTURE WITH OUR SPECIAL MENU!

SPACE DAY

1ST OCTOBER

MAINS

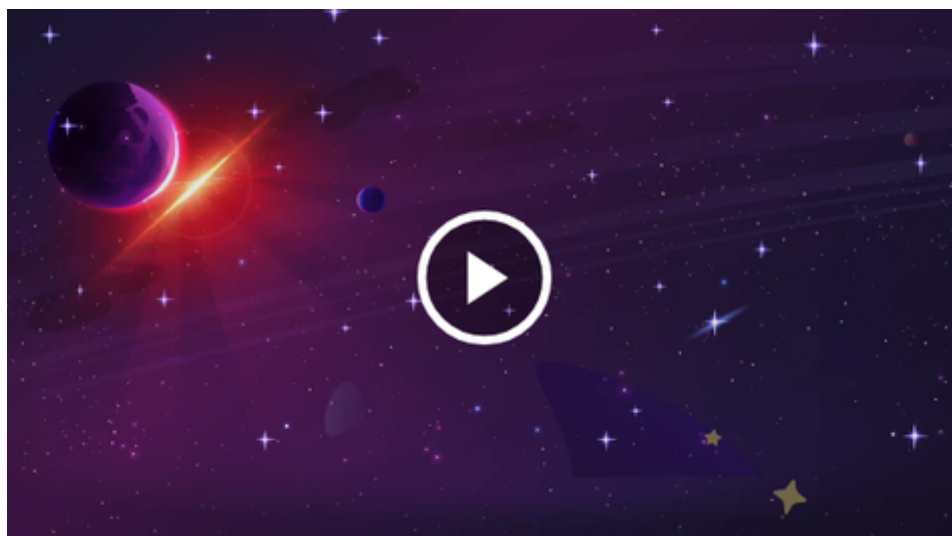

- CHICKEN METEOR-BITE BURGER
- VENUS VEGGIE BURGER (VG)
- SPACESHIP SANDWICH BAR

- COSMIC COOKIE (VG)
- FRESH FRUIT (VG) (GF)

FAMILY LEARNING

FirstSteps to Understanding Emotionally Based School Non-Attendance

This **FREE** two-week course (3-hour sessions) will help you explore the early signs of school-related difficulties and understand the common reasons behind non-attendance.

**Wednesdays
7th and 14th October**

9.15am-12.15pm

Southfield Park Primary School,
Long Grove Road, Epsom, Surrey KT19 8TF

Please scan the QR code to register

What will I learn:

- Understand the range of reasons why your child may struggle to attend school or take part in certain lessons
 - Learn about reasonable adjustments that can be agreed with the school to support your child
 - Feel more confident advocating for your child
- Please note: This course is for parents/carers only (no children)

News from the Friends

We are once again working with Cauliflower Cards, and the children are busy creating their artwork so parents can order personalised cards and other Christmas items this year!

How does it work?

1. Complete the order form that will come home with your child's artwork in the upcoming days.
2. Visit the online ordering website and enter the unique code provided on the form.
3. Choose the products you would like to purchase and complete your payment online.

Return the completed order form with the artwork to the teachers by the 7th October

Please note that each order form contains a unique code linked to your child's artwork, so **you must use the original form and return the artwork** to the teacher.

Thank you for supporting our school and celebrating your child's creativity! ✨

There is **no need to book** if you wish to **tour the
school without attending a talk.**

Parking **will not** be available on site; please **DO NOT**
expect to be able to park in any of the roads near the
school. Please travel by public transport and/or walk
the last part of your journey - parking restrictions
apply in all local roads.
