

OCTOBER 1ST 2026

SOUTHFIELD PARK

NEWSLETTER

Dear families

Dear families,

You are receiving our newsletter on Thursday this week because there is an INSET day tomorrow. School will be open for children again on Monday. Tomorrow is an opportunity for all of the staff across the seven schools in the Trust (over 450 of us) to meet and work together.

Next week, we have our first Friends' event of the year with our family BINGO night on Friday 9th at 6pm. The event is always popular and is a family night out, suitable for everyone. So, grab some snacks and the tippie of your choice, and we will see you there. More details can be found on the Friends' Page later in the newsletter. You can also find details of a free Emotional Based School Non-Attendance (EBSNA) course for parents and carers which starts next week.

Best wishes for a lovely weekend,

Sally Smith

Dates for your diary...

Fri 2nd Oct

- **INSET DAY** (school closed to children)

Mon 5th Oct

- Prospective Parent tour 9:15am

Tues 7th Oct

- EBSNA workshop for parents/carers (Emotionally Based School Non-Attendance) 9:15am-12:15pm

Sat 10th Oct

- World Mental Health Day
- Prospective Reception families Stay and Play 10am-12pm

● Family Learning Workshops Coming Up

On Wednesday 7th and 14th October, we will be hosting a Family Learning Course that may be of interest if you are struggling to get your child into school. The course is entitled First Steps to Understanding Emotional Based School Non-Attendance (EBSNA). It is a free two-week course of 3 hours sessions, from 9:15am until 12:15pm.

More details on how to register can be found later in the newsletter.

● Photograph Permissions and the Sharing of Images

As telegraphed in the newsletters in the Summer Term, it has been a Trust decision that our newsletters and website will now be 'face-free' to safeguard our children's images from potential misuse. The decision, like so many others, was made collaboratively by the group of Heads from all seven schools in the Lumen Learning Trust.

We have been in the process of updating our procedures to ensure that you still have a record of your child's experiences here at Southfield Park. I would like to apologise that these systems were not quite ready for the beginning of the year, including for the Sayers Croft residential, and for any confusion this has caused. We will ensure that any photos taken are shared with consenting parents under Option 3 below.

Could I ask all families to complete the consent form which will identify which parts of photographic image use you would like to consent to. The options are:

1. Internal Displays
2. Newsletter (names only)
3. External Activities (group photos will only be shared with parents and carers in a closed email group)

An email will be sent following this newsletter with attaching the Photographic consent form. Please complete and return to info.southfieldpark@lumenlearningtrust.co.uk

● Year 6 in the Park

It has come to our attention that many of the Year 6 children are gathering in the park before school and we have had reports from parents that the children are leaving the house very early to do so. We are noticing that many of the Year 6 children are arriving just in time or slightly late, having been in the park. This means that the children are not always arriving regulated and ready to learn. We also have concerns about safety and appropriate behaviour.

Year 6 parents and carers, could we ask that you keep a close eye on this situation and make alternative arrangements if you feel it appropriate. Thank you for your support in assisting with a calm and safe start to the day.

● NSPCC Report

The NSPCC has published figures showing which platforms children name when they make contact with Childline to report abuse. Snapchat had the most mentions, followed by TikTok, Instagram, and WhatsApp. This is not a surprise to schools as in school we often find ourselves managing unkindness, upset, and sometimes even bullying that has taken place on one or other of these apps between our children outside of school.

This information from the NSPCC is difficult to ignore, and we are all committed to protecting our children from harm. It's therefore a timely reminder to all parents whose children have smart phones and use these apps, to take extra care and keep an extra close eye on what your children are accessing online.

● Reception 2027

No sooner have we welcomed our new Reception children to school than we turn our attention to next year's joiners! If you have a child who was born between 1st Sept 2022 and 31st August 2023 then they will be eligible for a Reception place in September 2027. As you can see from our dates list, our tours for prospective parents and Stay and Play are already in the diary; to book your place, please email info.southfieldpark@lumenlearningtrust.co.uk. Please share this information with your friends and neighbours who might also be looking for a school place for next year. Further information about the application process can be found on the Surrey County Council website.

● Introducing our Senior Leadership Team

Over the next few weeks, the Leadership Team will be introducing themselves to you here, so that you know who to head to for support and so that you can find out a little more about our roles. This week it is the turn of Mrs Becky Robinson.

Hello families,

My name is Becky Robinson, and as the Early Years Foundation Stage (EYFS) and Key Stage 1 Phase Lead, I have the absolute privilege of overseeing our children's learning from their very first steps in Reception right through to the end of Year 2. As well as teaching in Year 1, my role is all about ensuring a smooth, supportive, and inspiring transition across these crucial early years, working closely with our incredible team of teachers and teaching assistants to build strong foundations for every child's education.

What I love most about this job is being part of such a transformative time in our pupils' lives. I truly enjoy watching children start their journey through school, seeing their confidence blossom as they discover new interests, make lifelong friends, and master key skills. There is nothing quite like the excitement of a child realising they can read a word on their own for the first time or seeing their awe during hands-on learning.

Building strong partnerships with parents and watching our youngest learners grow into curious, resilient, and enthusiastic individuals is what makes every single day so rewarding!

Display Snapshot

In Art, Year 1 have been learning about primary colours through the work of Piet Mondrian. Their beautiful new display certainly brightens up the infant corridor and shows what creative energy can come from a simple line. Well done, Year 1.

● **Hello Yellow for World Mental Health Day**

We will be taking part in Hello Yellow on Friday 9th October (World Mental Health Day) to raise awareness and funds for YoungMinds, the UK's leading charity for young people's mental health. No young person should feel alone with their mental health and that's why Hello Yellow matters. We're taking this opportunity as a school community to come together and show our students that we're with them and they're never alone with their mental health. We'll be taking part by wearing an item of yellow clothing or a yellow accessory for a voluntary donation of £1. We are also running a competition to find the most interesting yellow item from home! Children can bring their item into class on the Friday where a vote will take place -each entry costs just £1. The winning item from each class will then be judged by Mrs Foley and announced in Shine Assembly that day. The winner will receive....

Children can bring in coins or to donate online, please scan the QR below or one the posters that will be on the gates from Thursday 8th October.

Most importantly, we want to share the resources which YoungMinds offer to support parents and carers if you ever need help and advice to support your children. This includes: • online resources

[\(www.youngminds.org.uk/parent/\)](http://www.youngminds.org.uk/parent/)

- a phone line, open **9.30am-4pm** (0808 802 5544)
- an online chat for parents and carers to speak to trained professionals if you're concerned about your children's mental health

www.youngminds.org.uk/parents-helpline/

What a fantastic start our **Reception** children have had at Southfield Park! We have been incredibly proud of how well they have settled into school and how quickly they are becoming familiar with their new surroundings.

Over the past few weeks, the children have been busy learning our daily routines and developing their independence. From finding their belongings and getting ready for the day, to learning how we move around school and make the most of our learning time, the children are becoming increasingly confident and settled.

Building positive relationships has been a key focus during these first few weeks. The children have been getting to know their teachers and classmates, making new friends and learning how to play and learn alongside one another. It has been lovely to see friendships beginning to develop, with children showing kindness, sharing, taking turns and supporting each other.

We have also been very lucky to begin exploring our fantastic new outdoor learning environment. The children have loved discovering the different areas, investigating their surroundings and using the space to develop their creativity, physical skills and imagination. There has been lots of exciting learning taking place outdoors, from construction and imaginative play to exploring nature and working together.

Alongside settling into school life, the children have been enjoying a wide range of learning experiences, including phonics, dough disco, creative activities, construction and role play. They are showing wonderful curiosity and enthusiasm, and it has been a joy to watch their confidence grow each day.

● Time to Talk

This week's conversation starter is about the Bayeux Tapestry. It is a great way in to start a conversation about your family's history and how you record your family's story.

In the news this week

The Bayeux Tapestry is a nearly 1,000-year-old very long piece of cloth covered with pictures sewn in colourful thread that tells the story of a very famous event called the Norman Conquest of England. The almost 70-metre-long piece of art has travelled from its usual home in France, to go on display at the British Museum in London. It shows the events leading up to the Battle of Hastings in 1066, and depicts soldiers, horses and ships.

Things to talk about at home ...

- Which stories are important to your family and how have these stories been passed from one person to another?
- Do we have any photographs or objects that tell part of our family's story?
- What do you think we can learn from different types of stories? E.g., written, photos or ones we retell.

● The SHINE Tree

Every week we will be celebrating the children who have been spotted working on the theme of the week, by adding their name to the SHINE tree, near the office in the atrium. We will share the theme and a photo of the tree every week in the newsletter, before it is refreshed ready for the next Monday's theme. This week's assemblies have been about how we move around the school safely.

Have a look to see who has gone above and beyond this week:

Well done, Sasha!

This weekend, Sasha organised a sale outside our house, with the help of her friend and brother, Zacharie. Together, they raised an impressive £28, which they will be donating to Cancer Research.

A fantastic effort, Sasha and Zacharie – well done for making such a positive difference! ♥

Well Done
Sasha

We have found 3 pairs of missing glasses and they are now safely waiting for their owners at the school office.

If you've recently been wandering around wondering why everything looks a little blurry, your glasses may have been found and are ready to be reunited with you. 👁️

Missing Glasses Found!

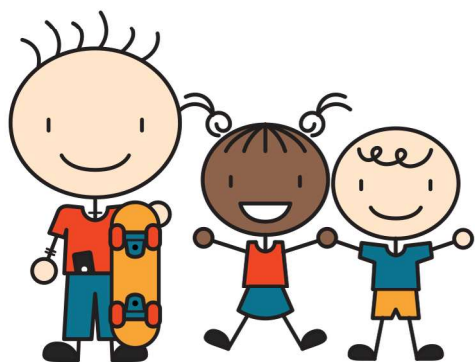

Lost Bottles & Tupperware! 🥤🍱

Our collection of lost water bottles and Tupperware is growing at an impressive rate! We're currently holding a rather colourful selection here in the office, patiently waiting to be reunited with their owners. If you recognise something that belongs to you, please pop into the office to collect it. Anything still unclaimed by the end of half term (**Friday 16th October**) will sadly be saying goodbye and heading to the bin – so please give those lonely bottles and lunch boxes a chance to make it home!

FAMILY LEARNING

FirstSteps to Understanding Emotionally Based School Non-Attendance

This **FREE** two-week course (3-hour sessions) will help you explore the early signs of school-related difficulties and understand the common reasons behind non-attendance.

**Wednesdays
7th and 14th October**

9.15am-12.15pm

Southfield Park Primary School,
Long Grove Road, Epsom, Surrey KT19 8TF

Please scan the QR code to register

What will I learn:

- Understand the range of reasons why your child may struggle to attend school or take part in certain lessons
 - Learn about reasonable adjustments that can be agreed with the school to support your child
 - Feel more confident advocating for your child
- Please note: This course is for parents/carers only (no children)

News from the Friends

We are once again working with Cauliflower Cards, and the children are busy creating their artwork so parents can order personalised cards and other Christmas items this year!

How does it work?

1. Complete the order form that is coming home with your child's artwork in the upcoming days.
2. Visit the online ordering website and enter the unique code provided on the form.
3. Choose the products you would like to purchase and complete your payment online.

Return the completed order form with the artwork to the teachers by the 7th October

Please note that each order form contains a unique code linked to your child's artwork, so **you must use the original form and return the artwork** to the teacher.

Thank you for supporting our school and celebrating your child's creativity! ✨

Academic Year 2026-2027

Autumn Term 2026
