## Curriculum Units

- We are continuously assessing the children's progress and next steps, putting in place any necessary support.
- Seating and grouping is always flexible, so children may move regularly.

## Assessment

Throughout the year, the children will have the opportunity to take part in a range of enrichment activities

These will include:

- House events
- Themed days/weeks (Victorian day)
- Visits to enhance the curriculum (Local walk)
- Residential (PGL - Limmington)

We may require volunteers for visits - please inform the Office if you would like to become DBS checked, in order to assist with visits.

**Enrichment**

**The Friends** are a fund-raising group of parents in school, who give some of their time to support us, through quiz nights, fairs and a variety of other events. The money raised helps to fund the 'extras' which give all the children access some excellent experiences, They have funded playground equipment, the refurbishment of the Music Room, the purchase of new instruments and pantomime performances, to name but a few. They are a very welcoming group and always need help, so if you are able to give some of your time, it would be greatly appreciated.
